**Remarks:**

1. After subscribing to any 365 days data package, the validity of your Prepaid SIM Card will subject to either the original SIM validity or validity of the data package, to which has a longer period.
2. All data packages cannot be co-existed.
3. When the cumulated data usage for the package reaches the upper limit during the validity period, data service will be suspended. If further data service is needed, customers are required to re-subscription after cancelling the service【Dial *103*11# cancel】, any unused usage in the existing data package will be forfeited.
4. In addition to subscribe by dialing the short code, customers can also apply for data packages through the MyLink APP or website. The process is as follows:

- Download MyLink APP https://l.mylinkapp.hk/0d5gL or login website https://www.hk.chinamobile.com/en/home/login to complete the first registration
- After registration is completed and login, customer can subscribe data packages after recharge

  **MyLink Guideline:**

  Recharge Step：Login MyLink – Choose Telecom – Heartwarming – Prepaid Card Refill – Choose Refill Amount – Complete Refill

  Subscribe Package Step：Login MyLink – Choose Telecom – Telecom – VAS Subscription – Choose Data Package – Complete Subscription

  **Website Guideline:**

  Recharge Step：Top up at any time through the website https://bit.ly/4hn6XpI

  Subscribe Package Step：Login Website – Choose My Zone – VAS Subscription – Choose Data Package – Complete Subscription
